Department of Science & Technology, Govt. of Jammu &
Kashmir

Department of Biochemistry, Govt. Medical College is going to organize the **online National seminar On "Public Health concerns- Need of the hour in the hilly Doda area of Jammu & Kashmir India"**. The focus will be on the introduction of cutting edge technologies of Clinical and molecular research, environmental pollution, Dietary concern, Value of Quality control in the field of Health, Medicine and allied sciences.

Different health issues will be discussed in different sessions starting from 14/07/2020 and shall culminate on 16/07/2020. Simultaneously, Poster and Medical science model competition among 11th & 12th class students from Doda and adjacent areas will be the part of this event, the poster and models will be submitted online at biochemistrygmcDoda@gmail.com through official email of concerned school, it would help us in enlightening our audience and will also encourage the students of this area for Medical education.

We believe and trust that such Seminars will be beneficial for the betterment of patient care and Medical professionals itself. The presentations by expert panel will inculcate a sense of more expertise and learning avenues for faculty and participants.

Prof. (Dr.) Tariq Parvez Azad
